

European Gym for Life Challenge

July 13th 2024

Event Guide

Greetings from European Gymnastics

European Gym for Life Challenge

Dear Gymnastics' friends

Midsummer Madness is waiting for you in Bodo.

The Gymnastics Federation of Norway, the LOC and the European Gymnastics TC GFA have been working tremendously and are ready to welcome all of you to the 4th edition of European Gym for Life Challenge.

We want you all to experience the best gymnastics week of your life, performing and socialising with friends from all over Europe. I can assure you that the LOC and the hospitality of the Norwegian people will not disappoint you.

We hope that you will leave Bodo inspired, with a big smile and ready to come back to our next European Gym for Life Challenge in 2026.

The beautiful city of Bodo is waiting for you and for your group!
We look forward to seeing you all.

Greetings from the LOC President

Welcome to European Gym for Life Challenge 2024

Dear friends,

On behalf of the entire organizing team, it is my great honor and pleasure to welcome you all to the 4th European Gym for Life Challenge in the beautiful city of Bodø. This year, we are proud to announce a record breaking number of registrations for EGFL, with 1,395 participants across 60 groups.

In the event guide, you will find all the detailed information about the exciting activities we have planned for you. We promise you an unforgettable experience under the midnight sun.

So, get ready for a journey north of the Arctic Circle like no other. We hope you enjoy every moment of your time here.

About the European Gym for Life Challenge

Performances

The groups present a performance of a maximum of 3 minutes, including entering and exiting the performance area. If large apparatus are used, the group may use one minute for placing and removing the equipment. This minute is to be without music and is used ONLY for moving the equipment/apparatus. It is not considered part of the performance. The music must be delivered to the LOC two months in advance in order to be checked for quality and duration. The music must be uploaded during the Definitive registration in Gymnaplana.

All groups will get rehearsal time. The rehearsal time for each group depends on the number of groups taking part. The Challenge will take place indoor with a floor area of 20 x 30 meters in total.

Categories

The main objective of the EGFL is to improve the quality of performances. The TC-GFA focuses on the “show effect” which means attractiveness for the spectators. The number of categories depends on the number of groups. The TC-GFA can change the format of categories depending on the number of registrations (e.g. large groups/small groups, etc. with or without apparatus).

Evaluation

Each performance will be evaluated according to the following criteria:

- Entertainment value and overall impression
- Innovation and originality
- Technique, quality and safety
- Variety and diversity

All parts have equal value, up to 5 points per criteria. The evaluation will be carried out by a panel of 4 experts who are experienced in the fields of performance, artistry, technique and choreography. This panel is selected by the TC-GFA. The Evaluators will be directed by a supervisor before, during and after the event. The supervisor is appointed by the TC-GFA. Each Evaluator has a total of 20 points, 5 per criteria. After each performance the Evaluators give the 4 scores/criteria and the total score. All scores are given independently. 4 scores are added (maximum score is therefore 80).

Feedback

The Challenge will have a minimum of 3 Feedbackers, who are experienced in choreography and have participated in an “advisory course” of the TC-GfA. The experts giving feedback will be appointed by the TC-GfA. The feedback includes positive points from the performance and recommendations on how the performance can be improved. The feedback will only be given to a coach or a choreographer. The feedback will be given directly after the performance. Each coach/choreographer will meet the Feedbacker in a place indicated at the Coaches/Head of Delegation meeting.

Results

The scores will be used to establish an internal ranking list which will not be distributed. All groups receive a bronze, silver or gold trophy, all gymnasts receive a medal and a diploma. European Gymnastics will also hand out some special diplomas. The results will be announced, and the prizes will be handed out after the Challenge.

Inclusion - Facilitation for special needs athletes

We would like to invite also integrative performance groups for the EGFL, regardless of ability or level of function. We are actively working to facilitate special needs athletes. We will be designing venues with sufficient space for accessibility, elevators, highly visible signage, etc.

We can also help you to find alternative accommodation and/or find volunteers to assist with logistics throughout the event. Do not hesitate to contact us with any questions regarding inclusion and facilitation. inclusion@eurogym2024.com

Venues

Stormen Concert Hall

The concert hall is located in the heart of Bodø city center. Here you will find the main venue with Info Desk and accreditation.

Bodøhallen and Nordlandshallen

The European Gym for Life Challenge will take place in Bodøhallen. Right next to it, you will find Nordlandshallen. This is where you will find the warm-up area. All groups will enter the stage from this hall.

Groups with apparatus are responsible for making sure that the apparatus are placed correctly on the floor, but we have people to help you. The roller mat floor will be fixed at 14x20m (10 roller mats) and are in the color blue. Please note that it will not be possible to change the direction of the roller mats, they will be placed vertically as seen on the illustration.

Entrance to the warm up area will be through Nordlandshallen (next door to Bodøhallen).

Group Schedules

All groups have a personal schedule for the event. Link to the schedule has been sent to all Head of Delegations.

The link will also be available as a QR-code on your accreditation card.

In the group schedule you will find:

- Rehearsal times
- Performance times
- Meal times for lunch and dinner
- Other important information.

Public Performance Programme

We have also put together a programme page for the audience. Here you can check which groups and performances you can see, and in what order.

You can find the public program here: [Bodø 2024 Programme](#).

Payment

All the payments must be done before the arrival.

Orientation meeting for European Gym for Life Challenge

Thursday July 11th // 20.00 - 21.00

The LOC and European Gymnastics provide important information during this meeting.

It is mandatory for all Heads of Delegation and Team Leaders of the federations to attend. Unjustified failure to attend will result in a sanction against the federation of € 500.- payable to European Gymnastics.

School accommodation

The participants will be accommodated in schools near the city center. Even though Bodø is a very safe city, all the schools will have 24-hour security. The schools will be cleaned every day.

Each HoD is responsible for the conditions of the school where their groups stay. All group leaders and Heads of Delegation (HoD) must sign under the school regulations. Each group leader will be asked to register their group when they arrive at the school. The group leader will be asked for their contact information and must make themselves available to the HoD if needed.

Rules at the schools

- 1 The team leaders are required to familiarize themselves with the fire safety instructions at each school.
- 2 Only use the main entrance at every school. All other entrances are only for emergencies.
- 3 No shoes inside (take off the shoes at the entrance and carry them to the classroom).
- 4 Participants must be inside the school by 23:00. There should be quiet in the schools from 23:00 to 06:00 (or 07:00).
- 5 All use of alcohol or other intoxicants is strictly prohibited. It is forbidden to appear on school premises in an intoxicated state.
- 6 It is not permitted to take food out of the breakfast room without special permission from the security staff. All meals must be eaten in the dining hall.
- 7 Tables and chairs must be lifted, not pushed, when moved.
- 8 The classrooms must be in the same condition when you leave, as it was when arriving.
- 9 Cleaning of showers, toilets, and common areas is once a day, not classrooms. Garbage can be carried to the entrance, and the volunteers will handle it.
- 10 Any questions should be directed to the school's security staff.

Violation of one or more of these points may lead to the team's disqualification and a report will be sent to the Head of delegation of the respective nation. The accreditation card can be withdrawn, and the Head of Delegation is then responsible for finding accommodation for the participants/coaches/leaders, until they return home.

Transport

Airport Transfer

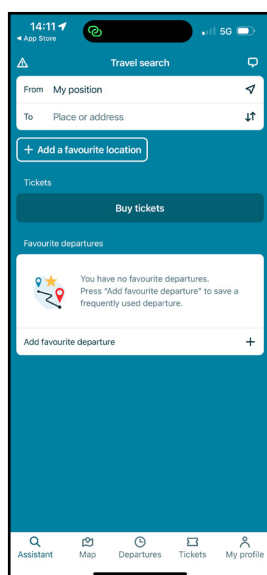

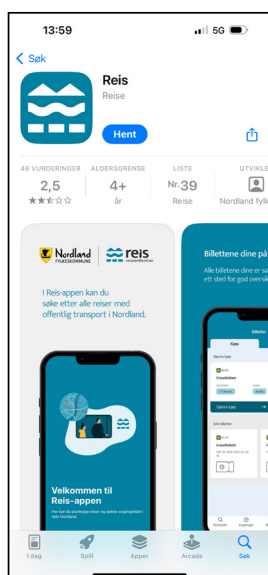

When you arrive at Bodø Airport — you will see our information stand. Volunteers will help everyone who has ordered transfer to the accommodation.

Free transport during the event

Bodø is a compact city and most of the venues are in walking distance from the city center. Public transport is free of charge for EGFL and EUROGYM participants by showing the accreditation card. Your accreditation card serves as a valid ticket between July 11th - 19th. There will be extra public busses with routes from/to schools located outside the city center, especially around lunch-time and in the evening after FunZone.

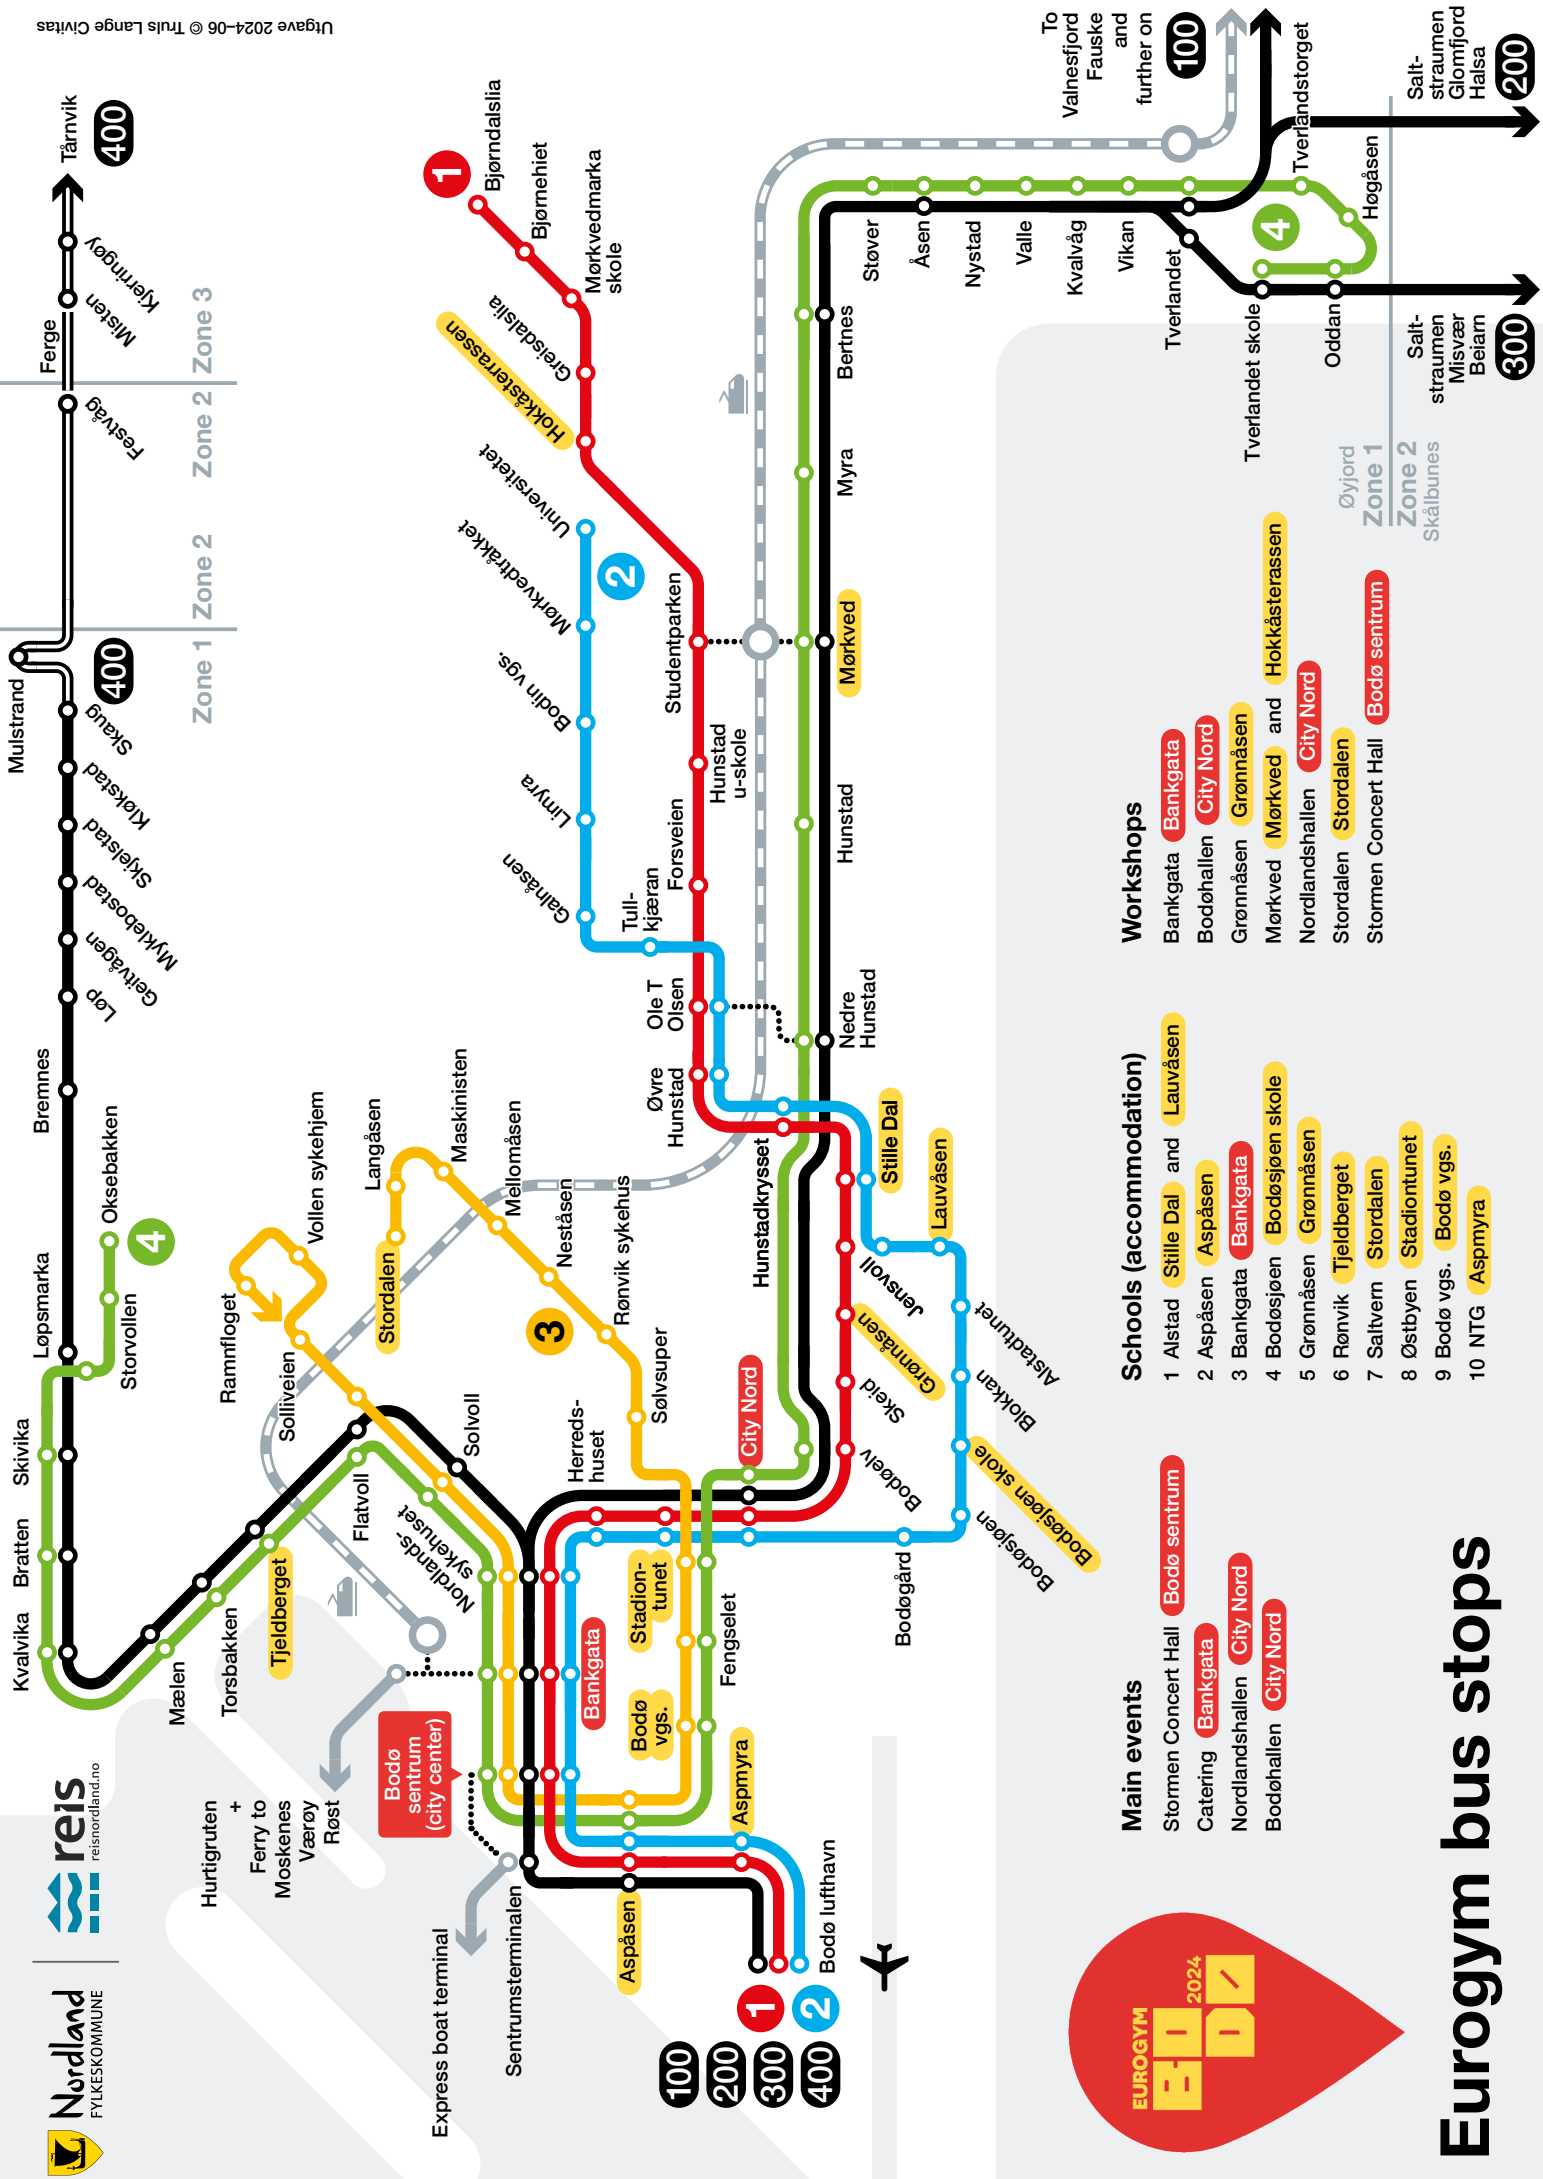

Bus time tables - Reis Nordland

Find timetables in the "Reis" app and the website reisnordland.no. You will always find up-to date information on route deviations and public holidays here. "Reis" means "Travel" in Norwegian :)

Taxi

You can order taxi og maxi taxis (up to 16 people). Taxi number in Bodø is 07550

Catering

The breakfast will be served in the schools, and lunch and dinner will be served in Bankgata Flerbrukshall. Each group will be given a time for both meals each day. You will find this in your personal group schedule.

All meals will be free of nuts and pork meat. All meat served is halal.

Those who have ordered allergy friendly food or vegetarian/vegan options will have access to a seperate line on their accreditation card.

Menu

	Friday July 12th	Saturday July 13th
Lunch	Street Burrito Tortilla with crispy duck, vegetables and hisoin sause	Baguette With cheese and chicken ham
Dinner	Chicken curry Served with salad and rice	Beef Stroganof Served with salad and rice

Drinking water

Norway is known for its high-quality drinking water, sourced from pristine natural springs and lakes, making it both safe and delicious to drink straight from the tap. We encourage you to enjoy the fresh, clean water during your stay, as it is way better than bottled water. It is safe to drink water from all taps.

We are pleased to inform you that each participant will receive a water bottle upon arrival, which you can use throughout the event. Water stations will be available in the dining hall at Bankgata where you can refill your bottle before each meal, so remember to bring it with you. No other beverages will be provided.

Welcome to the land of the midnight sun

Midsummer Madness

Located above the Arctic Circle, Bodø is a unique and vibrant city that comes alive in the summer months, when the sun never sets.

During the event, participants will experience the magical atmosphere of the midnight sun, with endless daylight and northern Norwegian nature. It is a very special experience to be outside in daylight when sounds and wildlife indicate that it is night. The midnight sun will provide a unique backdrop for a variety of sports and cultural activities, including music, dance, and gymnastic performances.

The midnight sun is a natural phenomenon that occurs when the sun remains visible at midnight. This phenomenon is particularly pronounced in the Arctic regions, including Bodø, where the sun remains above the horizon for over 70 days during the summer months. This creates a unique and magical atmosphere, where the sun never sets, and the days seem to stretch on forever.

The European Gym for Life Challenge with all its spectacular performances and Gymnastics for All spirit, together with the midnight sun, will be a Midsummer Madness celebration like no other. Participants can expect to have an unforgettable experience, filled with cultural activities, outdoor adventures, and the natural wonder of the midnight sun.

Excursions and Activities

Looking for an adventure when you are in Bodø? We have gathered some experiences to do with your group (or individually), and made sure our EGFL travelers get good deals with the local suppliers in Bodø.

Rampen Via Ferrata

Try the world's northern most Via Ferrata. Climb a cliff hanging above the sea with spectacular views. No previous climbing experience needed to join an exhilarating climb with experienced guides.

Suitable for participants aged 12 and up, this climbing experience requires a minimum weight of 40 kg and a maximum of 120 kg. Participants under 16 must climb with a guardian or familiar adult.

Nice to know when traveling to Bodø, Norway

Language

The official language is Norwegian, but English is widely spoken, especially among younger people and in tourist areas.

Currency

The currency is Norwegian Krone (NOK). Credit and debit cards are commonly accepted.

Local time

Bodø is in the Central European Time (CET) zone (UTC+1). Daylight Saving Time (DST) is observed from late March to late October (UTC+2).

Electricity and plugs

Norway uses Type C and Type F plugs. The standard voltage is 230 V and the frequency is 50 Hz. Travelers from countries with different plug types should bring an appropriate adapter.

Shops are closed on sundays

Most shops are closed on sundays in Norway - also supermarkets. Normally only a few smaller shops are open. But on sunday july 14th, the city center in Bodø have open shops especially for EUROGYM :)

The Midnightsun

It is bright all day and night, and some people find it hard to sleep. But don't worry - everyone will be provided with their own sleep mask upon arrival.

Drinkingwater

Norway is known for its high-quality drinking water, sourced from pristine natural springs and lakes, making it both safe and delicious to drink straight from the tap. We encourage you to enjoy the fresh, clean water during your stay, as it is way better than bottled water. It is safe to drink water from all taps.

We are pleased to inform you that each participant will receive a EUROGYM water bottle upon arrival, which you can use throughout the event. Water stations will be available in the dining hall at Bankgata where you can refill your bottle before each meal, so remember to bring it with you. No other beverages will be provided.

Weather and Clothing

During summer (June to August) Bodø has mild temperatures ranging from 10°C to 20°C (50°F to 68°F). Bring light clothing, a sweater, and a waterproof jacket.

Note: Weather can be unpredictable, so always check the forecast and pack accordingly.

Nature

Bodø is known for its stunning natural scenery, including Saltstraumen - the world's strongest maelstrom, hiking trails, and opportunities for fishing and boating. Remember to dress appropriately for outdoor activities and be prepared for sudden weather changes.

Norwegians have a strong connection to nature and the environment. Visitors are encouraged to follow the principle of "leave no trace" when exploring natural areas.
